SUSTAINABLE DEVELOPMENT GOALS
[Nagano Prefecture is an SDGs Future City]

Grants for facilities and equipment for factories and more

Nagano Prefecture Industry Investment Support Grant

We aim to not only promote investment in Nagano Prefecture from highly-productive companies, but to bring progressive, eco-friendly companies to Nagano that aspire to net-zero CO2 emissions by 2050.

Primary Grant Requisites

Barring exceptions, grant requisites must be fulfilled within 3 years of applying for business approval.

Companies Eligible for the Grant

- Companies etc. operating as manufacturing industries, warehousing businesses, and natural science laboratories *

* According to Japan Standard Industrial Classification published by Ministry of Internal Affairs and Communications

In addition, companies that fulfill both of the following conditions

- Approval of a business plan to drive a regional economy through the Regional Future Investment Promotion Act
- Companies etc. aiming to create at least a certain amount of added value per person
