

If you're thinking of moving to a regional area, Nagano Prefecture should be on your list.

Up to
300
million yen

Nagano offers significantly expanded grants for offices.

- **12%** of acquisition costs
- **50%** of rent (for up to 3 years from contract)
- **800,000 yen** per new employee

See
reverse side
for details

Overview of Headquarters Relocation Promotion Grant

Companies that relocate offices which function as headquarters and conduct business in Nagano are eligible to have a portion of their costs subsidized.

Eligible facilities

- Offices, laboratories, and training centers operating as headquarters
- Satellite offices operating as headquarters

Grant Requisites

1. Relocation of headquarters functions from outside of Nagano to inside the prefecture
2. Hiring of 5 or more additional full-time employees (2 or more for small and medium-size companies) to carry out headquarters functions
3. Registration with the Nagano Prefecture Registry of Businesses Promoting the SDGs
4. Submission of an operational climate change mitigation action plan

Grant rate/amount

Eligible for grant	Grant rate/amount	Maximum grant amount
Costs of acquiring buildings, equipment, etc.	A) 12% B) 11% C) 10%	300 million yen
Rent (3 years from contract)	50%	
Additional full-time employees (limited to 1 year)	800,000 yen/person per year	

- A) For buildings certified Nearly ZEB or greater, or if the company is an RE100 or RE Action member
B) For buildings certified ZEB Ready or ZEB Oriented
C) In circumstances other than the above

Please note

- Applications for business approval must be submitted, in principle, 14 days prior to the day a business begins headquarters construction, enters into a lease agreement, or begins headquarters relocation (when neither construction nor a lease agreement are required), whichever comes first.
